

Jason Brian Perez, Field and Lab Technician

<http://car.utsa.edu/AboutCAR/StaffPages/JPerez.html>

EDUCATION

2001 Bachelor of Arts - Anthropology, University of Texas at San Antonio

SUMMARY OF QUALIFICATIONS

I have over 11 years of experience in the field of archaeology. I have participated in over 50 field projects including Phase I, II and III projects and all aspects of artifact preparation and artifact rehabilitation. I have conducted fieldwork in Texas, Oklahoma, Bolivia, and Belize. I currently work as an archaeological Research Science Assistant II at the Center for Archaeological Research at the University of Texas at San Antonio where I am utilized for both field and lab projects. I have authored and co-authored peer-reviewed chapters in edited volumes, and authored or co-authored posters and presentations in regional and national conferences. In addition to my time working as an archaeologist, I have also deployed with the military to Afghanistan and Iraq where I conducted source operations and counterintelligence investigations and I also worked as a contractor in Afghanistan conducting security interviews in support of Navy SEAL teams.

Total years' experience: 11

Total years' experience with UTSA-CAR: 10
